Before reading, read this!

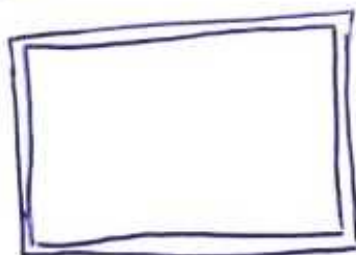

This comics is NOT gonna be like a manga. So dont go through every page fastly, please pay attention and appreciate every page, and panel.

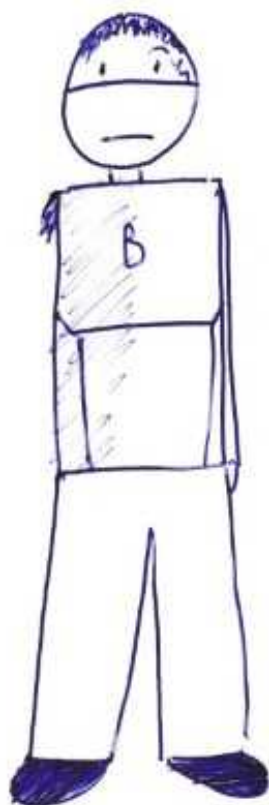

Diferrent ~~panel~~ types:

Normal,

Memory, flashback,
in the past.

Please know that SUPERBenji is a COMPLETELY different person than Benji, the author. They have nothing in common, and arent connected in any way. He is just a character that happened to be named benji.

Yes, the price is reasonable, I worked for so long and put so much effort into this, and you think I'm gonna give it for free?
